

COMMUNION SETS.

VESSELS WITH WHICH TO ADMINISTER
THE LORD'S SUPPER.

THE most sacred ordinance that can be observed by all churches is that known as the Lord's Supper or, in other words, Sacrament. We do not think it is in keeping with these sacred ordinances of the Lord's Supper in church now-a-days to try to administer it with out the proper vessels.

Every Church Ought to Have a
First-Class Communion Set.

They can have them made out of the best grade of quadruple-plated table silverware if they desire them. The Church Supply Department of the National Baptist Publishing Board has just received from their factory a new lot of this high-class ware, and would take pains in showing them to any one.

The Prices are Within Reach of All
and Terms are Reasonable.

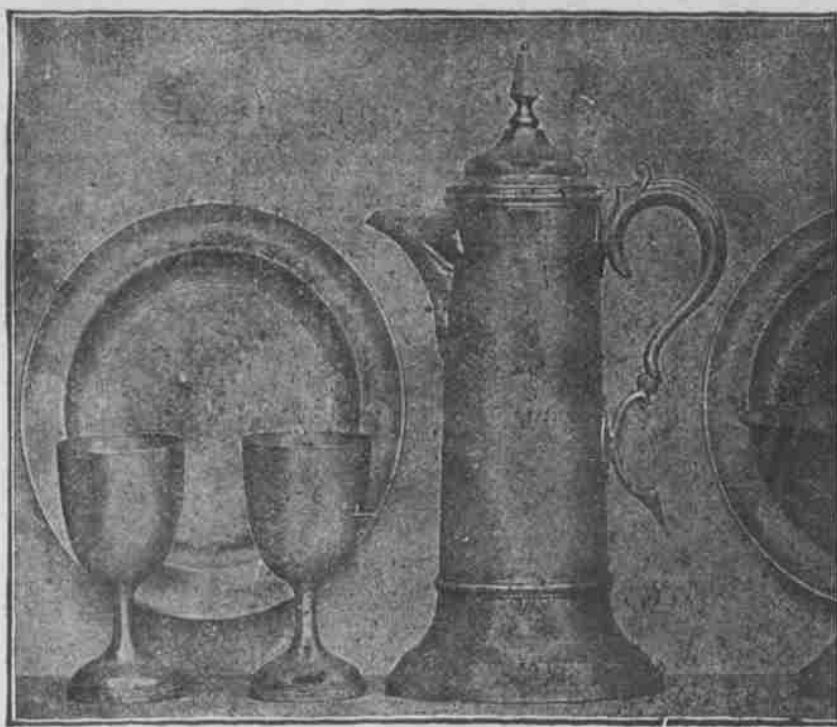

No church ought to be willing to use glass dishes or the like for these ordinances when they can have the best grade of silver at moderate prices.

MOUNT OLIVE BAPTIST CHURCH SUNDAY SCHOOL.

The Mount Olive Baptist Sunday School opened Sunday, February 23, promptly at 9:30 o'clock, by the superintendent, Mr. James Hurt. There were 205 pupils present. After song service the classes began the study of the lesson, which was "Jesus at the Pool of Bethesda." When the thirty minutes of class study was over, the lesson was reviewed by Rev. C. H. Clark. Dr. C. V. Roman, who was among the visitors present was introduced to the school and made a most interesting talk, leaving an indelible imprint of the doctrine of "Stickability."

As Sunday, February 23, had been set apart for rally day, much interest was manifested as to the results of the labors of teachers, scholars and friends for the pecuniary benefit of the school. The sum of \$48.12 was raised. The teacher of Class No. 16, Mr. Henry Allen Boyd, received the crown which was to be given to the teacher of the class raising the largest amount of money. This class raised \$9.50. The classes of Deacon Martin and Rev. Dr. Clark also did excellent work. Deacon Martin offered to the member of his class bringing the largest amount of money a Bible, which was won by Mr. R. L. King. Although fourth in the race, Mr. L. S. Gray's class, which is composed of little girls from 8 to 12 years of age, deserves special mention.

The school wishes to thank little Miss Katie A. Boyd, who made the crown, which was won by the victorious class.

Tuesday night through the inclement weather came the teachers and a number of officers and pupils, with the pastor to the regular weekly meeting. The meeting opened with prayer and the lesson for Sunday, March 1, "Jesus Feeds the Five Thousand," was discussed and many points were brought out that proved helpful to all present.

FIGHT AT MERCY HOSPITAL.

Some words about some work between John Bryant and John Jackson on the premises of Mercy Hospital resulted in Jackson striking Bryant over the head with a hoe, inflicting injuries from which he is now in a dangerous condition. Jackson made his escape. Bryant is 18 years old. Jackson is a plasterer and was employed to do some work at the hospital.

ROGER WILLIAMS NOTES.

Both teachers and students were very much elated at being paid a visit Monday by Dr. Alfred Owen, who for a number of years was president of Roger Williams University. Though not as strong, perhaps, physically as he used to be, he appears bright and scholarly as ever—maybe more so—as was shown in a brief address he made before the faculty and student body, in which he warned the students against attempting to go through cart-loads of books at the expense of mastering a few, and he reiterated the universal fact that there is no progress without an effort on the part of the individual; and commended in the mean time the heroic struggles that we are making here. Not only is Roger Williams indebted to him, but a few others of his class and race, for their contribution of moral and mental culture, during the years since the Civil War. Mindful of that, our best wishes certainly attend him with the hope that a number of years still may be spared him to enjoy the fruits of his earthly labor. To him and others of the friends of Roger Williams, the latchstring hangs on the outside.

March Rhetoricals are approaching. On March 10 the winter term ends, and spring term begins, with a holiday sandwiched in.

The banks of the Cumberland are beginning to re-echo as well as the chapel to resound with the oratory and elocution of normals and academics, who will stand before the foot lights on that auspicious evening, March 10.

Mrs. Hettie Kelly, the sister of our Matron, Mrs. I. H. Hampton, and mother of one of our students, Miss Edna Kelly, visited us Sunday afternoon and was with us in our Sunday evening chapel exercises.

Mr. Givings, of Walden University, visited us Tuesday and took dinner with us. We are glad to welcome students from our sister institutions at any time.

We are glad to welcome Miss Eva London, from Cornersville, Tenn., who reached here a week ago. Miss London will pursue a course of study in this institution.

The institution is very grateful to Mrs. E. L. Hickman for the delicious desert which she gave us Friday as a valentine.

The students are entertaining the same enthusiastic spirit in athletics

that always characterizes students of Roger Williams, and perhaps may be ready to challenge her sister institutions in a contest game before the season is over.

The school moves on smoothly in the face of many adversities. There are 30 students enrolled and others are expected.

SPECIAL SERMON TO YOUNG MEN.

On Sunday morning, March 1, at 11 o'clock a special sermon will be delivered to the Y. M. C. A. at Spruce Street Baptist Church by Rev. T. J. Townsend. The public is invited to be present.

Miss Anna Norris, the hairdresser of St. Louis, also a sister of the deceased, did not reach the city in time for the funeral, owing to the failure of trains to make connections.

MR. BURFORD RETURNS.

Mr. Russell D. Burford, son of Mr. Lawson Burford, Sr., and brother of Mrs. G. W. Gibson, a young man well known in the social circles, arrived in the city from Chicago last Sunday morning. It will be remembered that he left here last February. He returns well satisfied, as he has visited the most important cities of the East and West and also Canada. He spent Christmas in Halifax, Nova Scotia. Mr. Burford took advantage of an opportunity to visit the gold mines of Mexico.
